***DONATED SICK AND VACATION LEAVE PROGRAM***

**I. PURPOSE**

The intent of this program is to permit City of Elizabeth, NJ employees to donate earned sick time and/or vacation time on a voluntary basis to another City of Elizabeth, NJ employee who is suffering from a catastrophic health condition or injury which compels their prolonged absence from work.

An employee who is to be a recipient of donated time must first exhaust all of his/her own accumulated sick, vacation, and compensatory time. The employee must also produce a doctor's certification at the onset of the illness or injury to substantiate the nature of the illness or injury, and to specify the length of time that the employee will probably be absent from work. An employee who utilizes donated sick and/or vacation time will be treated as a City of Elizabeth, NJ employee on a leave of absence with pay and will not be subject to a diminishment of wages and benefits.

The donation of sick and/or vacation time must be initiated by the employee's department. The request must be on the forms provided by the Division of Personnel and must be made prior to the employee's exhaustion of all accumulated sick and vacation time. Upon approval by the Business Administrator, all City of Elizabeth, NJ employees are eligible to donate sick and/or vacation time on a voluntary basis.

**II. ELIGIBILITY**

**A. Recipient:**

A City of Elizabeth, NJ employee shall be eligible to receive donated sick and/or vacation leave from other City of Elizabeth, NJ employees if the employee meets all of the following criteria:

1. Must be suffering from a catastrophic health condition or injury which necessitates the employee's prolonged absence from work and for which the employee has no availability of paid leave.
2. Must produce acceptable medical verification from a physician or other licensed health care provider. The medical verification must indicate the nature, severity, and anticipated duration of the disability resulting from the serious health condition or injury involved.
3. Must have completed at least one year of continuous service with the City of Elizabeth, NJ.

4. Must have exhausted all accrued paid leave time including compensatory time off, sick leave, and vacation leave.

B. Donor

An employee to be eligible to donate leave to another employee must meet the following criteria:

1. Only whole days may be donated.
2. Must have at least ten (10) days of accrued sick leave remaining to his/her credit following any donations.
3. Must not have solicited nor accepted anything of value for the donation.

III. **PROCEDURES**

- A. Any employee may request to participate as a recipient in this program by contacting his/her department head. The department head will require medical documentation concerning the nature, severity, and anticipated duration of the medical emergency involved. The department head will provide the proper forms to the eligible employee. Both the department head and Business Administrator must approve of the eligibility of any employee before he/she can participate in the program. Decisions and approvals regarding eligibility will be made on a case-by-case basis.
- B. Once a recipient is approved for the program, the department will post on employee bulletin boards or communicate by other appropriate means, the name(s) of eligible employee(s) who will have exhausted all earned paid leave time by a designated date. The posting will be done only with the recipient's consent. If the employee is unable to consent, the employee's family may consent on behalf of the employee. Notice shall be provided to all appropriate majority representatives.
- C. City of Elizabeth, NJ employees may donate within the prescribed limitation only whole days of either sick leave or vacation leave, or a combination thereof.
- D. The donor and the recipient (or family representative) will fill out the required forms. No one shall directly or indirectly intimidate, threaten or coerce, or attempt to intimidate or coerce any other employee for the purpose of interfering with any right which such employee may have with respect to contributing, receiving, or using paid leave under this program. The above shall include promising to confer or conferring any benefit (such as appointment, promotion, or compensation) or effecting or threatening to effect any

reprisal (such as deprivation of appointment, promotion, or compensation). An affidavit to this effect shall be signed by the donor. Any employee who engages in the above prohibited conduct shall be subject to disciplinary action.

- E. The donor's leave time will be reduced by the number of days which are to be donated with regard to vacation and sick time leave balances.
- F. The eligible recipient's leave time will be credited with the donated time indicating the donor. The recipient may receive days from more than one (1) donor but may not use a total of more than 180 donated days. Records shall be maintained showing donor's name, number and type of days donated.
- G. Should an employee return to work, or otherwise terminate the use of leave with donated time remaining, that time will be returned to the donor on a prorated basis in days. Any proration that would amount to less than one (1) day per donor will not be returned.
- H. The recipient employee while using donated leave will continue to earn sick and/or vacation leave. If the earned sick and/or vacation leave is unused when the employee returned to work, all such earned time shall be retained by the recipient employee and credited to the employee's accrued sick and/or vacation leave time.
- I. Once the sick and/or vacation leave has been donated, it may not be revoked by the donor.
- J. Donations may not be used on a retroactive basis.

If you have any questions concerning this program, please contact the Division of Personnel directly.
